State University of New York at Oswego

Oswego, New York

March 1, 2010

Coordinated by

AMTNYS

ASEE

NYSSPE

NYSTEA

STANYS

Hosted by

Dept of Technology

@ SUNY Oswego

Greetings:

The New York State STEM Education Collaborative will hold its Summer STEM Institute from August 8 – 11, 2010 (Sunday – Wednesday) at SUNY Oswego in Oswego, New York. The theme of this conference is **STEM: Links to the Future**. Science, technology, engineering and mathematics educators from across New York State and surrounding states are expected to attend, representing grade levels from kindergarten through college. Interest in the STEM initiative is rapidly developing. You are invited to attend this conference as an exhibitor.

We understand that this is a difficult time of year to commit to 3 full days. We are offering each vendor a table for \$300 per table for the three days, Monday to Wednesday, August 9 – 11, 2010.

If you are interested, please return your registration form by April 30, 2010 to us at:

**STEM Summer Institute
209 Park Hall,
SUNY Oswego,
Oswego NY 13126.**

Your check, payable to *Department of Technology, SUNY/Oswego* should be sent to us, at the same address, prior to June 1, 2010.

For more information about the New York State STEM Education Collaborative visit our website at: <http://www.nysstemeducation.org/>

Please feel free to contact me with any questions.
